

What is Form Based Code?

Join us for a public meeting and find out.

Why this is a great opportunity:

- Gain insider knowledge
- Be one of the first to see the 28 West video
- Learn where new streets are planned
- Discover where shopping will be improved
- Bring your questions, we've got answers!

TUESDAY

AUG **27**

6PM

Form Based Code:

Zoning as an economic development tool

Regulations focused on building placement and form

Reduces the time from project concept to moving dirt

A message from Mayor Jack Poll

We need people like you to be involved and be informed. As your Mayor, I encourage you to mark your calendars and attend this meeting. Please don't miss this opportunity.
