Greater Wyoming Community Resource Alliance

The GWCRA is a federally recognized 501(c)3 non-profit organization dedicated to serving the greater Wyoming community.

Chartered in 2007, the Alliance is established to provide a charitable outlet for citizens and businesses eager to make sustainable and immediate impact to the very fabric of the community.

Our Mission...

We seek to provide a means to positively improve the fabric of the community through the promotion of social, environmental, economic and health and wellness programs and services.

Our Strategies...

To support non-profit organizations and grass-roots charitable causes which look to **improve the fabric of the community** through the promotion of social, environmental, economic and health and wellness programs and services.

Scholarships for youth and families to participate in health, wellness, and recreational activities of the Wyoming Parks and Recreation Department.

Supporting and advocating for **citizen driven committees and organizations** such as the Pinery Park Little League, Community Enrichment Commission, Citizen Task Force, and neighborhood associations.

Leading **partnerships** and funding of public safety initiatives including area National Night Out festivities.
