

An update on storm recovery efforts as of September 15 at 12:00PM:

- Wyoming citizens may call Public Works at 530-7260 to request pickup of **tornado-related** brush/branches until 5:00 PM Monday, September 19. Brush needs to be placed along the right-of-way (in the parkway or behind the walk -- if it will block the street or sidewalk) for pickup. After this date, citizens are responsible for bringing and disposing their brush at the yard waste facility.
- The yard waste facility, located at 2660 Burlingame Avenue, is open **Monday – Friday, 7:30am to 7:30pm, and Saturday, 8am to 5pm.**
- Repairs to sidewalks or right-of-ways damaged as a result of the tornado cleanup are ongoing. Currently, damaged right-of-ways north of 44th Street have been topsoiled and reseeded. City staff will be working with a contractor to complete the remaining southern portion of the City beginning on Monday, September 19. Citizens wishing to report a damaged sidewalk or right-of-way should call Public Works at 530-7260.
