Re: Compliance with PA 152

Attached is the resolution that we bring to Council each year, to comply with Public Act 152 of 2011, the Publicly Funded Insurance Contribution Act. This Act establishes limits on a public employer's expenditures for employee medical benefits plans. An annual resolution is required under the Act.

The City Council has elected to comply with the Act by not paying more than 80% of the total annual costs of the medical plan, instead of complying with the State specified dollar amount "hard caps." All employment contracts and agreements now include language requiring employees to contribute 20% toward the cost of their health insurance.
