TENT PERMIT APPLICATION

- **This is an application only.** A permit will be issued only after tent application, site plan and tent specifications have all been approved and all required fees and deposits are paid.
- **There shall be no work started until a permit has been issued**
- Applications are to include specifications from the tent manufacture and shall include anchorage details.
- The application must also be accompanied by a dimensional site plan that accurately describes the location of the tent. Tent must be a minimum of twenty feet from buildings, other tents, and property lines.
- In cases of winds over 30 mph or inclement weather with 10 miles that is conducive to lightning generation, the tent is to be evacuated.
- Tent canopy installation is subject to the Michigan Building code 2009, International Fire code 2009 and Tent industry standards for staking and water ballast hold down.
- Tents for sale or display of fireworks are also subject to State of Michigan legislative rules Public Act 256, 2011 Emergency Rules-Bureau of Fire Services-Fireworks Safety. Occupancy subject to approval by the State of Michigan Fire Marshall's Office including but not limited to: requirements for draft curtains, exits, means of egress, fire extinguisher number and location, warning signs, etc.
